

ADMISSIONS POLICY

MOSSBOURNE PARKSIDE ACADEMY

2020-2021

PROCESS OF APPLICATION

Mossbourne Parkside Academy opened in September 2015 and its admission arrangements form part of Hackney Learning Trust's co-ordinated admissions scheme.

CONSIDERATION OF APPLICATIONS

The application process is set out in Hackney Learning Trust's composite prospectus. The Academy's published admission number for reception in 2020/21 is 60. The Academy will consider all applications for places. Where fewer than 60 applications are received, the Academy will offer places to all those who have applied. The Academy may, outside the normal admissions round, refuse admission to pupils where the Academy considers that the admission of a child with challenging behaviour would prejudice the provision of efficient education or the efficient use of resources at the school. In this situation, the case would be referred to the local authority for action under the fair access protocol.

Oversubscription Criteria

Pupils with statements of special educational need or education, health and care plans naming the Academy are admitted ahead of other applicants. Places shall then be allocated according to the following oversubscription criteria:

I. A looked after child or a child who was previously looked after but immediately after being looked after became subject to an adoption order, child arrangements order, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions.

II. Children identified by the Hackney Learning Trust, with a child protection plan for whom the Academy is their nearest school.

III. Children with a sibling on roll at the Academy at the time of application.

IV. Children whose acute medical or social need justifies a place at the Academy (to assist the Academy in determining whether this oversubscription criterion applies to a particular applicant, it is the responsibility of the parent of the child to provide supporting professional evidence for example a GP's letter or social worker's letter) which demonstrates why the child should be given a place at the Academy rather than any other school.

V. Children of staff who work at Mossbourne Parkside Academy where the Academy reasonably considers a member of staff has been recruited for a position for which there is a demonstrable skill shortage.

VI. All remaining places will then be allocated amongst remaining applicants admitting first, those who live closest to the school. In the case of twins or siblings from a multiple birth, if one child is given a place in accordance with the above criteria, the Academy will ensure that their sibling(s) are also allocated a place. Random computerised allocations, which will be independently verified, will be used in any tie-break situations.

OPERATION OF WAITING LIST

The Academy will participate in the arrangements published by Hackney Learning Trust, which provide for the allocation of places in line with the Academy's admissions policy and the maintenance of a waiting list of pupils applying to the Academy, should no vacancies be available at the time of application. Pupils will be admitted according to vacancies arising within each year and will be prioritised in accordance the above oversubscription criteria.

PARENTS SEEKING A PLACE OUTSIDE THE NORMAL AGE RANGE

Parents seeking a place for their child outside the normal age group for reception class or at any other time in the school year (in-year transfer) and wish this to continue, should read the guidance on out of normal age group admissions in "hackney's primary schools" admissions guide for parents. The booklet is available at www.learningtrust.co.uk. Please note: such requests will be only agreed in very exceptional circumstances.
