

PE & Sports Funding 2018 – 2019

Mossbourne Parkside Academy believes that physical education is an essential part of a child's educational development. We aim to develop a balanced program offering a variety of activities to enhance skills in PE. Positive participation in PE will enable all pupils to build self-esteem, team work and positive attitudes towards all of their learning. MPA believe in developing the whole child both academically and physically, and aspire to all children excelling both in the classroom and on the playing fields. We believe that children are able to perform better in class if they get plenty of exercise and keep physically fit.

Key Achievements: The development of confidence, skills and knowledge. ● Pursuit of excellence ● School pride in achievements. ● Promoting competitiveness, fair play and respect. ● Educating children to improve health and wellbeing. ● Providing quality physical opportunities and experiences for children outside of school time.

Areas for Improvement: Ongoing CPD for staff. ● Monitoring of lessons. ● Widen the range of sports and activities children experience ● Refresh the equipment already in school. ● Offer more clubs and activities to the children throughout the school day. ● Build on established local connections through continued involvement in borough wide competitions.
